

## PUBLIC NOTICE

September 21, 2017

Beginning October 1, 2017, the Department of Transportation will implement the following transit schedule changes to maximize available resources, and equipment. These changes are in response to existing ridership patterns but no major stops have been deleted. This will create opportunities for additional passengers, inter-agency transfers, and days of service.

The most notable change is with the Tahlequah to Claremore route, as it will become the Tahlequah to Pryor Creek route (Orange Line). The result will open up the 7:00 AM to 3:00 PM and 11:00 PM to 7:00 AM shifts to the Hard Rock Casino for workers living in the Choteau, Locust Grove, and Tahlequah areas. This change also provides for future expansion to the Mid-America Industrial Park for residents from the above-mentioned areas.

Please review the multi-purpose schedule below, as your departure times may have changed. Also, your destination may require a transfer to a different line and/or a different line in the morning as opposed to the evening.

The Stilwell to West Siloam Springs-route will also begin operating 6 days a week (Monday-Saturday). The Salina to Tahlequah, Stilwell to Tahlequah, Sallisaw to Tahlequah, and both Muskogee routes remain unaffected at this time.

If you have questions, comments, or concerns you may contact us by email at: [transit@cherokee.org](mailto:transit@cherokee.org)

Thank you for your patience.
