

PUBLIC NOTICE

Date: February 27, 2012

To: All Cherokee Nation Transit Operators and Riders

From: Cherokee Nation Transit Program

Subject: Cherokee Nation West 4th Street Properties

In an effort to simplify schedules related to drop off and pick up locations, the Cherokee Nation Transit Program is implementing a new scheduling component for properties owned by Cherokee Nation on or near West 4th Street in Tahlequah, OK 74464. Since a number of our transit clients use various properties that are clustered in this area, future schedules will reflect a single-drop-off/pick-up component called “West 4th Street Properties”. However, the transit operators will continue to stop at each individual location provided that riders are utilizing such locations. This action will reduce the number of schedule changes when riders move from one building to another and/or when new riders come aboard.

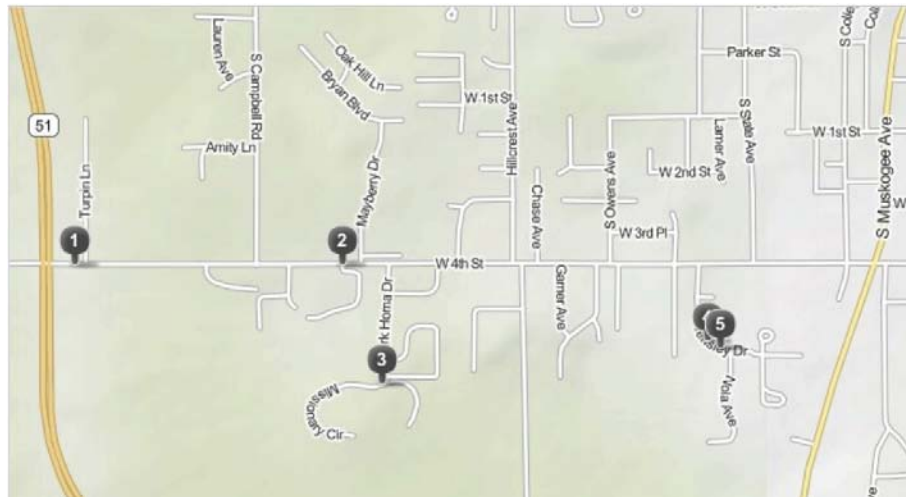

Until further notice, the West 4th Street Properties are as follows:

Office/Entity
