Valentimes for Vets
"Once again, it is time for our annual "Valentines for Vets" project.

Resp is said that the hand made Walestines are forcered, expecially by the older Note. Each Valentine should be addressed to "Our Year", or "Wales, or "Wash, you", or "Welcome Rose", etc. They should also be signed with a first name only (and maybe the action) came or organization. Valentines. In order to get all the Val

If you have relatives in other parts of the country, this is a nation-wide project started many years up by "Ann Landers". So there is probably a sincler project in their area. We will also be enough some of the Valentines oversear, to let the Troops how they are not furgetion also! The mailing address is office of twisters and Affairs
