Blaise Glory

Hello, everyone! I am the scholarship advisor for students with last names beginning with S-Z. I am going on my sixth year at the Cherokee Nation College Resource Center. I'm a lifelong educator; I graduated with a Bachelor of Science and a Master of Education degree from Northeastern State University in Tahlequah, Oklahoma. I also attended Texas Women's University and completed a second Master's degree in Library Science. I became a Corporate Librarian for an accounting firm in Dallas, Texas for 18 years. After returning to Oklahoma, I completed the Oklahoma state certification to become a Master Teacher and worked as a school librarian at several schools in our reservation before coming on board with the College Resource Center. In my free time, I enjoy traveling as much as possible and spending time with my three sons and my grandchildren.
