## MEET THE COLLEGE RESOURCES STAFF

### Monica R. Flynn

Advisor for last names A-D

Email: [monica-flynn@cherokee.org](mailto:monica-flynn@cherokee.org)

Phone: 918-453-5000 x. 7054

Monica has worked in Cherokee Nation College Resources for eight months. She previously worked with Head Start for 16 years. Monica grew up around the Salina area in Mayes County. Her belief that everyone should have an opportunity to get a good education is the reason Monica wanted to work as a scholarship advisor.

Her most influential teacher was Mr. Coursey, a science teacher at Shady Grove Elementary School. Monica's favorite subject became science because of Mr. Coursey and his method of teaching through hands-on projects.

The accomplishment Monica is most proud of is her Bachelor of Arts Degree in General Studies from Northeastern State University despite having dropped out of high school. When she is not working, Monica loves remodeling her home and going on dates with her husband.

### **Cherokee Nation College Resources Center SCHOLARSHIP APPLICATION ASSISTANCE DATES**

College Outreach Specialist Chris Stilwell will be providing scholarship application assistance at Northeastern State University in Tahlequah on May 1 and May 2. Chris will be located at the Native American Student Support Center Office located on the second floor of the John Vaughan Library.

**For additional Native American Scholarship opportunities, go to The Association on American Indian Affairs website: <https://www.Indian-affairs.org/scholarships.html>**
