

## College Resource Center Stole Program

The Cherokee Nation College Resource Center rewards students striving to complete continuing education goals and academic success. The Stole program is available for college students who are currently graduating and are Cherokee Nation citizens. The program offers the opportunity to receive graduation stoles for one Associate's, Bachelors, Masters, or Doctoral Degree. Under this program citizens will receive one graduation stole per degree level.

Students graduating from high school, vocational programs or proprietary schools are not eligible.

The student is responsible for obtaining permission from the college/university to wear the stole during commencement. Application should be submitted at the beginning of the final semester.

Upon receipt of a complete application packet, the stole will be sent via U.S. Mail to the address listed on the application or stoles may be picked up in the College Resource Center office.
